## LIMITED THREE YEAR WARRANTY

ECOsmarte® warrants to the original owner that the entire water system (including tanks, electronics, flow switch and media) is free from defect in material and workmanship under normal use, service and conditions. All parts are F.O.B. factory.

The labor charges incidental to the repair and/or replacement of parts, tanks, or water conditioning units other than factory repairs is expressly excluded from this warranty. The filter media is also expressly excluded from this warranty IF the electrode chamber(s) have not been maintained according to manufacturer's requirements. See Warranty Repair section below for repair procedures.

## LIMITED LIFETIME WARRANTY

ECOsmarte® warrants to the original owner that the pressure vessel (i.e. tanks only) is free from defect in material and workmanship under normal use, service and conditions.

To the original owner at the original installation site, the pressure vessel is warranted not to leak, burst, or fail in any way, subject to the following conditions:

- (1) Installation is made according to manufacturer's recommendations and local codes, and
- (2) Water pressure does not exceed 100 PSI or water temperature not higher than 100° F, and
- (3) That failure has not resulted from misuse, alteration, freezing, or act of God, and
- (4) A bypass valve has been installed (which comes with the water valve).

If failure should occur, the manufacturer will replace (labor and freight excluded) or as its option repair any part or parts that to its satisfaction proves defective. In no event shall manufacturer's liability exceed the original purchase price.

*All warranty coverage terminates if you sell or otherwise transfer the equipment.*
